

Who are neDwork's events intended for?

neDwork events are not open to everyone. Our events are created for a community of driven, like-minded professionals and affiliates in the dental industry who are personally invited or referred. Our members-only events are guided around knowledge-shared premium education and selected peers.

Why should I join neDwork as a member?

If you are looking into building and fostering unique relationships among high-caliber dental professionals, this is the right community for you. At neDwork, we believe that it all begins with a personal-level connection. We value members-only events as a way for us to cater to our members' specific goals and needs. Our events are less like meeting up with random professionals and more of an inclusive gathering with peers in which you can joyfully learn together and create innovative collaborations. [Get Invited](#) with us today.

Is there a membership fee?

No. All our members enjoy the benefits of being part of an exclusive community by being carefully selected by members and leaders.

I paid for a ticket to an event but can no longer attend; how should I proceed?

Please submit your request, and we'll be in contact with you. You are welcome to transfer your ticket to another colleague, if you can't attend. Remember to let us know about it so we know who will be attending the event in your place.

Do you offer continuing education credits for the courses listed?

Credits are offered based on the academic collaborations we have with other education partners. Determined on a p/course base.

Do I receive a Certificate of Completion?

All successful course attendees will receive a neDwork Certificate of Completion.

How often do you host events?

As a new company, we are currently creating our calendar of future events. In addition to our recommended events, however, we can also match you with the right experts through our “One-on-One Series.” In addition to our calendar, we also offer the option of customizing personalized training or education for you. Contact us and send a brief description of what you want/need, and we’ll connect with you to discuss. Join our [Facebook Group](#) to meet our community synergies. [More about our events here.](#)

I'm a non-member. Can I come to your events?

We’d be thrilled to get to know you. Please visit our [Education & Events](#) page and let us know who referred you, and we’ll provide everything you need to know. Feel free to let us know a bit more about you on [Get Invited](#) and we’ll follow up with you.

I'd love to sponsor or partner with neDwork. How can we get started?

Wonderful! At neDwork, we are big on the power of collaboration. Please check out [Care to Collaborate](#) for sponsorship and partnership opportunities. More details and steps on how to move forward are listed on that page.

Can I be a neDwork ambassador?

Yes! We are so excited to hear that. [Get in touch](#) with us and let’s get you involved right away!

Still have a question?
