Welcome to the 2022 Ibiza Education Retreat (IER22).

After 2 excellent editions, we want to keep the IER spirit going, and we invite you on our journey...

The IER is about getting inspired, learning together, and celebrating with friends and colleagues.

We believe that learning and its surroundings have a big impact on how we can change and grow. Being open-minded and self-care has become essential tools for surviving the times we find ourselves living in.

Empowered by inspiring leaders, the seminar will tackle current trends and pressing issues within the Dental industry.

We look forward to meeting you. Until then, we dream of Ibiza....

Greetings,

Team *neDwork*
