This Summer, neDwork will host the 2nd edition of the Ibiza Education Retreat (IER21). Empowered by inspiring leaders that will tackle current dental trends and pressing issues within the industry all while embracing the power of 'neDworking'.

We value intimate events as a way for us to get to know each and everyone who attends. It is our goal to create meaningful opportunities for our dental community to connect.

The IER is about getting inspired, learning together, and enjoying with friends and colleagues.

We believe learning and its surroundings have a big impact on how we can change and grow. Being open-minded and self-care has become essential tools for surviving the times we find ourselves living in.

With this in mind, neDwork introduces the IER21 program.

We truly hope to come together in June. Until then, we dream of Ibiza....

Greetings,
Team *neDwork*

The venue

destino Ibiza is a glamorous resort of Pacha Group. With a privileged position on the secluded cliff top of Cap Martinet in Talamanca Bay, *destino* overlooks the town of Ibiza, Formentera island and the Mediterranean.

Sophisticated yet integrated in nature, *destino*'s luminous energy makes it the ideal place to immerse yourself in the island vibe by day or under the moonlight.

With such an extraordinary setting, we couldn't have chosen a better location for our open-air seminar.

Frequently asked questions

1) Upon arrival at the Ibiza airport, how do I get to my hotel?

If you are staying for more than 2 nights, we recommend renting a car (in advance) so you can explore the island. Alternatively, you can take a local taxi.

2) I have a specific dietary need, will there be options?

If you have any food allergies or restrictions, please let us know, and we will take care of it.

3) What are the plans for the Retreat? Is there anything I need to bring?

We are planning a relaxed and energizing activity around Nature so don't forget your sports gear and a positive attitude.

4) Is it possible for my partner to join the cocktail party? How does it work?

Yes, your partner is welcome to join. The evening will be carefully organized so we need confirmation as soon as possible. Details, pricing and payment for partners will follow.

5) What happens if we are unable to fly due to Covid-19?

The event will be postponed to *9-10 September, 2021* so we kindly ask you to block this date already as a plan B, if you can :)

If it's not possible for you to attend, cancellation is possible up to 3 weeks before the event.
